

Partner With Kansas City's Home-Based Care Leaders

Sponsor the 2026 KCRHCA Annual Recognition Luncheon

Why Home-Based Care Matters

Home-based care continues to play a critical role in the healthcare system. Home-based care reduces hospital readmission and improves quality of life.

Care at Home

Thousands rely on home care services each year.

Better Outcomes

Supports recovery, dignity, and independence.

Growing Need

One of healthcare's fastest-growing sectors.

Why Sponsor?

- Reach healthcare decision-makers
- Increase brand visibility
- Build valuable relationships
- Support community care excellence

The Kansas City Regional Home Care Association invites you to sponsor our Annual Recognition Luncheon, bringing together leaders from across the home-based care community. This special event honors the professionals and organizations improving lives every day through compassionate, high-quality care while fostering connection and collaboration across the Kansas City region. KCRHCA represents 40+ agencies including:

**Home Health • Hospice • Private Duty Home Care
Infusion • Home Medical Equipment**

Our mission is to support education, collaboration, advocacy, and excellence in home-based care.
